

**University of Rhode Island Libraries
Technical Staff Internal Survey of 2006**

(Text of three questions sent to OIS staff in an online questionnaire.)

Questionnaire for Professional IT Staff

- 1) What is your highest degree that you have completed?

- 2) How many years of related technology experience do you bring to you current job?

- 3) Please describe one or more examples of an interesting project you are involved in that uses technology in support of the University's Academic mission.
