I have been admitted for: fall spring 20 __ __.

I am requesting a deferral to fall spring 20 __ __.

Current activities (if you are in school, please provide the name and location of the school and a list of courses you are taking):

I am in good standing at my previous (or current) institution.

In order to be admitted to URI, you must be in good standing and eligible to return to institutions attended previously.

Deferral requests beyond one semester are generally granted only for students who have encountered circumstances beyond their control that prevent them from attending. These circumstances are almost always limited to illness, accident, family tragedy, or military deployment. If you are requesting a deferral for more than one semester, you must submit both the deferral request and documentation that confirms the nature of the circumstances (i.e. physician's letter or military orders).

We will also consider requests for a one-year deferral for students who are participating in a "gap year" experience. Please submit a detailed description of the activity you plan to pursue during this year.

I understand that my request for deferred admission is subject to the availability of the program for the term that I have requested, and that if I have been awarded a merit scholarship there is no guarantee I will retain this award.
