

Narragansett – URI Coalition

Celebrates a Successful Year!

The four major goals of the coalition were successfully reached this year:

- **Increased student participation on the Coalition by 50%**
- **Reduced the number of events which result in community complaints to the Narragansett Police Department regarding URI Students**
- **Received final approval for the application of the student code of conduct for off-campus conduct**
- **Implemented a comprehensive media/publicity campaign to educate the South County community about the work of the Coalition**

Many thanks to a dedicated Steering Committee, committed Town and University leadership, an involved police department, steadfast community members, responsible students, and supportive local businesses that made this possible.
