

College of Engineering
 Outcomes Assessment Plan
 2003-2008
 DRAFT 8/27/04

Year	Plans / Accomplishments	Responsible Person / Office	Status
2000-2003	Eight programs in the College of Engineering achieve accreditation under ABET 2000 criteria	Program Chairs, ABET Self Study faculty Coordinators, COE faculty	Program accredited under ABET 2000 Outcomes Assessment Criteria
	Continuing outcomes assessment using: exit interviews, employer interaction, and	Assistant Dean, Department Chairs, COE Outcomes Assessment Committee	Data collected, analyzed annually, and distributed to department chairs for action
	EBI Engineering Student Assessment Project	Educational Benchmarking Institute	Done
2003-2004	Developed draft strategic plan that includes ABET reaccreditation/outcomes assessment as one of the major COE goals for 2003-2008	Strategic Plan development and implementation led by the COE Dean's Office	Draft Strategic Plan shared with constituency for review and comment
	As part of Strategic Plan, COE has convened a college-wide outcomes assessment committee (COE-OA committee)	Associate Dean for Students, Department Chairs, and a faculty representative from each program	Regular meetings of the committee to begin in fall 2004
	Developed draft outcomes assessment plan	COE Dean's office	Distributed to COE-OA for review and comment
2004-2005	Appoint Associate Dean Mercedes Rivero-Hudec as lead on COE-OA Outcomes Assessment Team	COE Dean's Office	Done
	Schedule meetings of the COE-OA committee	Associate Dean Rivero-Hudec	Meetings will begin in September 2004
	Conduct alumni surveys	COE Dean's Office	In process

	Convene and charge COE Outcomes Assessment Team to examine common accreditation mandates and other relevant information to implement a college-wide plan	COE Dean's Office in conjunction with the Outcomes Assessment Team	September 2004
	Monitor progress of university-wide outcomes assessment efforts	COE Dean's Office and COE Outcomes Assessment Team	On-going
	COE Advisory Council Meeting and evaluation of programs	COE Advisory Council, Departmental Advisory Councils	October 22, 2004

2005-2006	Accept report from COE Outcomes Assessment Team and distribute college-wide for discussion	COE Dean's Office	January 2005
	Prepare self draft study documents	COE programs, department chairs, and COE Dean's Office	October 2005
	Assure that all Engineering programs are following outcomes assessment plan including program and curriculum improvements as a result of measurements	COE Dean's Office	Fall 2005
	Invite ABET for reaccreditation visit in fall 2006	COE Dean's Office	January 2006
	All programs will have demonstrated one complete cycle of outcomes assessment and program change	All COE programs	Spring of 2006
	Assure that all programs will have completed their self study documents for submission to ABET visiting team	COE Dean's Office, Department Chairs, COE-OAC and COE faculty	April 2006
2006-2007	Plan for ABET reaccreditation visit	COE Dean's Office, Department Chairs, COE-OAC	Fall of 2006
	ABET visit	COE Dean's Office, Department Chairs, COE-OAC, faculty, students, advisory boards	October 2006
2007-2008	Take continuous improvement actions based on ABET assessment of engineering programs	COE Dean's Office, Department Chairs, COE-OAC, faculty, advisory boards	continuous
