HSS Strategic Plan 2003-2006, Goal #4:

Goal 4: Assess and enhance the quality of our undergraduate and graduate programs through a College-wide effort to develop common assessment measures that will inform accreditation efforts for College programs.

- 4.1 create an assessment team composed of individuals from programs throughout the College
- 4.2 examine accreditation requirements, elucidating common elements
- 4.3 develop an outcomes assessment protocol and appropriate methods and instruments
- 4.4 implement the assessment plan and inform programs throughout the College
