

# Student Affairs Assessment Committee

## Tasks

### Major Task:

Assist liaisons and departments in establishing quality assessment of what students learn in their interactions with the Division of Student Affairs, through the steps outlined in the charge to the Assessment Liaison Committee.

### Additional Tasks:

- Make any modifications to the SELO instrument.
- Continue to develop diversity instrument.
- Develop policies and methods for compiling and reporting departments' data, both within Student Affairs and beyond the Division.  
(eg, Survey Monkey; who gets what results?)
- Find student help.
- Assist SA staff who are teaching courses to develop learning outcome statements and measures for their classes.
- Address question of how Student Affairs can contribute to students' learning portfolios.
- Increase collaboration between Academic and Student Affairs to promote the importance of combining classroom and experiential learning
