

## NOTICE OF VIOLATION

Dear Property Owner,

Numerous notices have been issued by this Office requiring you to have your septic system inspected. As of the date of this letter, the Town has not yet received an inspection report for your property. You are hereby issued a **Notice of Violation** because you failed to have an inspection performed on your septic system and that is a violation of the Town's Wastewater Management Ordinance. You **MUST** schedule a First Maintenance Inspection by \_\_\_\_\_, 20\_\_\_\_ and notify this Office once the inspection is scheduled.

If the Town does not receive notification of an inspection by \_\_\_\_\_, 20\_\_\_\_ additional action will be initiated. Any person who fails to comply with a written Notice of Violation issued under the provisions of this ordinance may be fined not more than \$500 per violation. Each day of a continuing violation may be construed to constitute a separate and distinct violation.

Enclosed with this notice is a list of Town approved inspectors. If you have any questions regarding this matter please contact me at (401) \_\_\_\_\_ - \_\_\_\_\_.

Your anticipated cooperation regarding this septic system inspection is appreciated. If your inspection has been completed, please ensure that your inspector has entered the report into the Town's database program.

Sincerely,

Onsite Wastewater Specialist
