1098T FORMS

- The 1098T is the form the students receive to show how much they have paid in tuition for the 2007 year. According to Enrollment Services, these forms have been sent out by the agency that produces them. Parents or students can access this information by going to their website: www.ecsi.net/1098t. To access this site the student needs a pin number. If they have their 1098-T - the pin to access the website is on the form. If they do not have the 1098-T form - they can call ECSI at 866-428-1098. URI's school code is IY – they will need that code to get a pin.
- Students with campus based student loans, such as Perkins, Health Professions, Nursing and the URI Jack Family Student Loans for the 1098-E's (student loan interest paid). These are mailed to our borrowers by ACS. You can also access the data at the ACS website listed below. *For more information regarding student loan interest paid and 1098-E year-end tax statement click the following link www.acs-education.com.*
