## Office Hours @Rhody Market?

Connect with your students in a whole new way... conduct your office hours in Rhody Market's Fireplace Lounge!

- Reserve a table for 2 or 4 people
- Free beverage and cookie tray included with reservation
- Relaxed and casual atmosphere
- Encourage "drop-in" meetings with your students

Rhody Market's Fireplace Lounge is the perfect place to conduct your office hours. We're quiet when you need us to be (most student activity happens after 9pm) so one-to-one meetings and confidential conversations are easy. The relaxed, and casual atmosphere of the Fireplace lounge is an ideal place to meet with students.

With a table near the fire, bright floor to ceiling windows, refreshments and light fare just steps away — what could be more convenient? We have wireless internet access too! Take the monotony out of "office hours" and spend some time where your students are... *in Hope Commons!*

Start with a one hour reservation — it includes a table for 2 or 4 people and a complimentary cookie and beverage tray.
