

Federal Direct Graduate PLUS Loan Supplemental Application for Graduate and Professional Students 2007-08

To apply for the PLUS Loan, this form **must be completed and signed by the student borrower**. Please submit completed forms by fax, mail or in- person to the Office of Enrollment Services. ***This form must be completed each time you borrow funds through the PLUS Loan program.***

- You must fill out a **FAFSA** for 2007-08: www.fafsa.ed.gov (URI school code is: **003414**)
- If this is your first time applying for the PLUS Loan at URI, you must also sign a Master Promissory Note (MPN) available at: <https://dlenote.ed.gov/empn/index.jsp>.
- In order to sign a MPN, you must have a PIN number. If you do not have a PIN number or have forgotten your pin number, visit: www.pin.ed.gov
- If you applied for the PLUS Loan previously, you do not need to complete another MPN unless a financial endorser was required when you applied for the previous loan. If you did require an endorser, you must complete the MPN again at: <https://dlenote.ed.gov/empn/index.jsp>.
- The rules for multi-year use and expiration of the PLUS MPN are the same for both parent PLUS and graduate or professional student PLUS borrowers. If a graduate or professional student PLUS borrower is also a parent who is borrowing a Federal PLUS Loan for one or more dependent students, the borrower must sign one PLUS MPN to borrow for himself/herself and a separate PLUS MPN to borrow for each dependent student.
- A graduate or professional student attending an eligible foreign institution will only be able to use the multi-year feature of the PLUS MPN if the school has been expressly approved by the U.S. Department of Education (the Department) to have its student and parent borrowers do so. No eligible foreign institution is approved for this purpose at the current time. As a result, a graduate or professional student PLUS borrower attending an eligible foreign institution will need to sign a new PLUS MPN for each new loan.
