Financial aid applicants who are males born after December 31, 1959, are required to register with the Selective Service System.

DIRECTIONS—To complete online, select a field and type. Print to add your signature.

Your financial aid application cannot be processed because your Selective Service registration has not been confirmed. Processing will continue after **you complete the Registration Status and Certification sections on this form and sign and return it** along with any required documentation to the address above. If you have any questions, please contact the Office of Enrollment Services (ES) at the phone number listed above.

SECTION A. Registration status

Please check the box that makes a true statement of your circumstances. If requested, attach a copy of the documentation that supports the statement.

- 1. I am female.
- 2. I was born before January 1, 1960.
- 3. I am a veteran of active duty in the U.S. armed forces (do not count guard and reserves). *Attach a copy of your letter of discharge (DD214).* If you need to obtain a copy of your DD214, please call the Veterans Administration at 1-800-827-1000.
- 4. I am registered with the Selective Service. *Attach documentation of your registration status.* You can obtain verification of your registration status by logging onto the Selective Service web page at <http://www.sss.gov> or calling 1-847-688-6888.
- 5. I am not registered, but I have received a Status Letter from the Selective Service. Attach a copy of your Status Letter. Additional documentation may be required. Consult a One Stop counselor for assistance.

Follow these instructions if NONE of the statements above accurately describes your circumstance.

You must send ES a Status Letter that acknowledges the reason for your non-registration status. To obtain a copy of your Status Letter, contact Selective Service at 1-847-688-6888 immediately, or download the *Request for Status Information Letter* form and the directions for completing it at www.sss.gov. Both documents are in PDF format. To open them, you must have the free Adobe Acrobat software on your computer hard drive. Go to www.Adobe.com to download the necessary software.

Once you have received the Status Letter from Selective Service, check statement 5 on this form, complete and sign the certification section below, attach a copy of your Status Letter, and return both to ES at the address above.

SECTION B. Certification

You must sign this form certifying that the information you provided is true. Misrepresentation of facts in connection with this form may be sufficient cause, in and of itself, for cancellation or repayment of financial aid whenever discovered. Please type or print neatly in ink the information requested before signing your name.
