

**UNIVERSITY OF RHODE ISLAND
FACULTY SENATE**

On May 15, 2008, the Faculty Senate adopted the following resolution in honor of outgoing chairperson James H. Miller:

Whereas:

Chairperson Jim Miller has served the Faculty Senate with dignity and strength

And

Whereas:

He has seized upon challenges as opportunities for “positivity” (a Miller neologism)

And

Whereas:

He has proven himself a humble and careful listener to his peers

And

Whereas:

Though possessed of a congenial nature he has demonstrated his ability to hold the line on matters of academic expectations and faculty concerns

Therefore, be it resolved that the 2007-2008 Faculty Senate expresses its appreciation for his service, his solidity, and his Monday morning smiles.
