

**University College and General Education Committee
Report #2010-11-3**

During Intersession 2010-11, The UCGE Committee considered the following matters and presents them to the Faculty Senate for information.

Honors Program

The agreement between the University College and General Education Committee and the Honors Program since the initiation of the current General Education program, and prior to that under the previous General Education program, has been that specific Honors topics courses were approved with the understanding that the Director of the Honors Program would ensure that the topics taught under the approved number integrate at least 3 of the approved skills.

The following topics courses and topics have been accepted by the University College and General Education Committee for fall 2011 and are now reported to the Faculty Senate for information.

A. Natural Sciences (N) Core Area

HPR 201N: Honors Colloquium: Are You Ready for the Future? (*using quantitative data, reading complex texts, writing effectively, using information technology*)

Students will enroll in HPR 201N

B. Social Sciences (S) Core Area

- 1) HPR 201S Honors Colloquium: Are you Ready for the Future?** (*using qualitative data, reading complex texts, writing effectively, using information technology*).
