

UNIVERSITY OF RHODE ISLAND  
FACULTY SENATE  
COUNCIL FOR RESEARCH

REPORT ON THE INSTITUTE FOR IMMUNOLOGY  
AND INFORMATICS

The Council for Research reviewed on March 2, 2011, a proposal submitted by Professor Annie De Groot, Cell and Molecular Biology, to change the status of the Institute for Immunology and Informatics from temporary to continuing status.

The Council for Research voted to approve continuing status for the Institute for Immunology and Informatics. In accordance with the University Manual legislation governing Centers, Institutes, Bureaus, and Partnerships, Section 8.9.22, Continuing Authorization for Centers, the Council for Research recommends that the Faculty Senate approve continuing status for the Institute for Immunology and Informatics. Following is the proposal in the format required by the Board of Governors for Higher Education.
