Preparing your Admissions Portfolio:

- Admission Teams review many portfolios, so it is essential that you provide a neat, well-organized Admissions Portfolio.
- Forms A, C, and D are available in the Admissions Packet at <http://www.uri.edu/hss/education/applicants/index.html>.
- The required elements above are best presented in a 3-ring binder; a 1-inch binder should be sufficient.
- Please clearly label the front and spine of the binder with your name and the program you are applying to.
- Separate binder into 4 sections as designated above. You may choose to use sheet protectors for the materials (not required).
If you do so, please be sure that all sides of the document are visible (i.e. each page of transcript, etc.) so that reviewer does not need to pull out any materials in order to see all the information you provide.
- Do *not* include your BCI in your portfolio; submit it to the Office of Teacher Education with your application materials.
- A sample generic portfolio is available for reference in the Curriculum Materials Library (1st floor of the URI library Kingston).
- Bring your Admissions Portfolio with you to your interview; do not submit prior to interview appointment.
- Please remember to collect your portfolio in Chafee 701 after you receive your admissions decision letter.
