Master Seamstress II Certificate Program

The Master Seamstress II Program is open to all students who wish to take 8 week, non-credit elective courses. Anyone may take a course(s) without working towards a certificate. In order to receive a certificate, participants must have completed Master Seamstress I and must have completed any three non-credit courses listed in this brochure and all other assigned projects. Courses do not include project materials. All classes will be held at The Greenwich Club, 5426 Post Road, East Greenwich, RI.

**Fall 2006-Spring 2007
8-week courses**

Fall 2006 Offerings

Fun Fashions With Wovens (\$216)

Now that you have your basic sewing skills "under your belt", let's get creative. Learn what to look for in a pattern and discover endless possibilities with fabrics from the apparel and home dec departments. You will make samples of crazy patch, slashed fabric, plaiting, appliqué and free motion quilting (on clothing). You will choose one technique, or combine several to construct a truly unique garment.

Monday 9-12Noon (9/25-12/4) No class 10/9, 11/13, 11/20

Sheila Vargas

Handbags & Accessories (\$216)

Add some splash to your look! Handbags can make the difference and complete the outfit. You always have that extra piece of fabric that is screaming to be used. Learn to make a complete line of accessories that will transform basics into show-stoppers.

Monday 7-10PM (9/25-12/4) No class 10/9, 11/13, 11/20
Heather Lee

Advanced Patternmaking (\$216)

The units in this program are each concerned with designing with full size patterns. From the basic bodice pattern, students will create a sheath dress and continue onto princess designs. Students will progress to a blouse pattern and dartless designs, then learn how to make a jacket, and coat sloper including discussion on facings, collars, lapels, sleeve, and linings. Designs can be tried and trued in fabric throughout the class time.

Thursdays 7-10PM (9/28-11/16)
Diane Martin

Shirtmaking (\$216)

This class will teach the basics of shirtmaking for both men and women. Quick industrial methods as well as some couture techniques will be demonstrated and used. Each student will make a sample notebook and complete a shirt. A 100% cotton fabric is suggested for the shirt.

Friday 9-12Noon (9/28-11/17)
Mabel Wagner

Winter 2007 Offerings

Wonderful Knits (\$216)

Learn to create a versatile wardrobe using the latest knits. This course will cover how to choose quality fabrics and patterns selected for knits. Discover the techniques that will give professional results in a wardrobe designed around a few key pieces. Most work will be done on conventional sewing machines, although the use of sergers will be covered.

Monday 9-12Noon (1/15-3/12) No class 2/12
Heather Lee

Pants Drafting (\$216)

With just a few measurements you will learn to draft a basic pants pattern for any 'body'. You will also learn about pant fitting and draping plus create different pant style patterns and get tips on constructing a pair of pants.

Thursdays 7-10PM (1/11-3/8) No class 2/15
Diane Martin

Fabric Embellishment (\$216)

This class is the best of both worlds; heirloom, the art of fine machine sewing, and hand-embroidery. An added bonus to this class will be beading. Come learn and review some of the best techniques that will embellish your garment with beautiful results. Don't miss this opportunity to combine all of the above into a one of a kind master piece.

Fridays 9-12Noon (1/19-3/16) No class 2/16
Diane McCabe

Spring 2007 Offerings

Threads Review (\$162)

Threads Magazine comes to all sewing enthusiasts loaded with great tips techniques, reviews and projects. Now you can share all of these great projects with friends. Come to class ready to try apparel designs, quilting, embroidery, or home dec. Students will share their knowledge and expertise. Topics will continue to change with each new subscription and every semester.

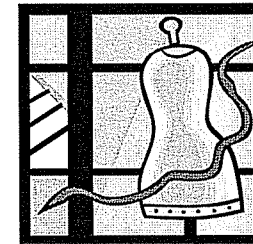

Mondays 9-12Noon (3/26-5/7) No class 4/16
Jane Headley

Form / Draping (\$216)*

*Additional charge for Form Kit (\$135) due at casting time. Make check payable to the class instructor.

Students will be body casted, and then your body mold will be filled with polyurethane foam. After just three classes, you will have an accurate form of your figure and posture. Draping techniques will be taught and practiced in class with muslin, as well as tissue fitting patterns to the finished form.

Thursdays 7-10PM (3/15-5/17) No class 4/5, 4/19
Diane Martin

Contemporary Tailoring (\$216)

Students will make a tailored jacket or coat using time saving methods and materials. The emphasis will be on fusible techniques for under linings, interfacings, and tapings. The linings will be sewn in by machine. Fabric for garment is not limited to woolsens.

Friday 9-12Noon (3/23-5/18) No class 4/20
