

Workshop: Joint and Dual Degree Programs

Facilitators: Peter Nübold (TU-BS) , Martin Sadd (URI)

- **Difficulties convincing school administration on details**
- **What is the valued added of for a dual degree program?**
 - **Added student recruitment**
 - **Better quality students**
 - **Better employment opportunities for students**

- **Graduate defenses would be best done using videoconferencing**
- **Will two degrees with one thesis be challenged by institution administration?**
- **With 2010 EU (Bologna) changes, will we be looking at a dual BS program in the future?**
- **Does the exchange at the graduate level produce research interruption that will be a source of faculty concern?**

- **Funding Concerns – Institution must find ways**
 - **Tuition waiver from home institution**
 - **Swapping across levels (undergrad-grad-doctoral)**
 - **Special registration during exchange**
- **Need significant technical faculty interaction to exchange at the graduate level**
