#### ***FOR STUDENTS OF CALABRESE ORIGIN:***

The John R. Mott Scholarship Foundation Scholarship. Students native to the region of Calabria Italy who are enrolled to attend any accredited post-secondary school are encouraged to apply. Students must be seeking an education leading to a degree or professional certification. The location of the educational institution is not limited to Italy. The students have to be of Calabrese origin, but not necessarily born there. However the scholarship prioritizes students that are currently there. Preference is given to students from the town of Serra D'Aielo, and the city and province of Cosenza. For more information please visit: <http://www.mottscholarship.org/>
