

Travel & Meeting Point

Participants will make their own arrangements for air travel from the U.S. to Spain and back. The cost may depend on the place and date of departure (reduced rates may require advance booking and payment).

The Program Director, upon request, will be glad to provide information about, and assist with flight arrangements. However, The URI Summer Study Program in Spain DOES NOT sponsor or recommend any specific airline or travel agency. Any information we may provide students is for information only and does not constitute and should not be interpreted as endorsement.
