

The Voluntary System of Accountability (VSA) reports results from a single-question survey of graduating seniors about their immediate future plans.

An online survey was conducted over a four week period from April 26 - May 24, 2011 with senior students who were expected to receive undergraduate and Pharmacy PMD degrees this spring.

Of 2106 individuals invited to participate in the survey, 532 completed the questionnaire, yielding a response rate of 25.3%.
