

EXPERIENTIAL PROGRAMS

Preceptor Name: Luke S. Cullins

Address: Kananak Hospital Pharmacy, PO Box 130, Dillingham, AK 99576

Email address: lcullins@bbahc.org

Phone: (907)842-9235

Rotation Description

Location: Kananak Hospital

Site Description Information: Twelve bed acute care facility with two labor and delivery rooms. We compound antibiotics, provide kinetic consults, unit-dose medications, review medication orders, attend medical staff rounds daily, discharge patients. Interactions with nursing, medical staff, and pharmacy is very common. We also provide outpatient services, filling approximately 150-200 prescriptions per day. We also have the unique opportunity to provide services to 25 remote villages.

Goals/Objectives: To supply the student with the appropriate education/background to perform competently as a pharmacist. To provide the student with unique opportunities of practicing in Alaska and diagnoses/treatments associated with the area (Example: high incidence of tuberculosis).

Required activities: One presentation at end of rotation and various other projects.

Hours of service (please indicate if evening hours are required): Monday thru Friday, 8 am – 5:30 pm.

Name of person who students should contact prior to start of rotation:

Luke Cullins, Email lcullins@bbahc.org or Phone (907)842-9235

Student Immunization Record Required? Yes, please fax to (907)842-9240. Annual PPD is required.
