Rotation Description

Location:

CVS Store Support Center
1 CVS Drive
Woonsocket, RI 02895

Site Description Information:

CVS/pharmacy has more than 5,400 community pharmacies located in 37 states and the District of Columbia. The CVS/Pharmacy Store Support Center is headquarters for these stores. This location offers a unique opportunity for the student to work in a corporate team environment with the goal to advance pharmacy practice and to provide educational materials to both patients and pharmacists.

The Clinical Services Department provides comprehensive DI services to internal, corporate departments and patients via an electronic "Ask the Pharmacist" service. The Clinical Services Department also provides clinical support to over 5,400 community pharmacies through a monthly clinical newsletter and clinical tools for their intranet.

Goals/Objectives:

Professionalism
Writing and communication skills at both a patient and professional level
Data Collection Skills
Clinical Judgment Skills

Projects and/or required activities:

- 5-10 Green File Update assignments
- 3 Journal Club Articles

Projects and/or required activities (continued):

- Daily News Checks
- 1 major research/project presentation
- 1-4 written assignments
- Customer email questions
- Attendance at group meetings
- 1-6 reading assignments (in addition to student notebook)
- Miscellaneous projects, which may include:
 - Legal case reviews
 - Marketing content reviews
 - Product review (merchandising)
 - Program review (pharmacy merchandising)
 - Program development
 - Formulary review

Hours of service:

Monday through Friday, 8 AM to 4:30 PM
