Elective Undergraduate Rotation Description

Internship/Experiential Program
10 weeks maximum

Primary Faculty Preceptor:
F. Randy Vogenberg, RPh, PhD, FASHP
Senior Vice President, and
National Practice Council Leader

Additional Preceptor:
Paul O'Connor, RPh, MBA
Vice President

General Goals/Objectives:
The student will be exposed to a variety of managed health care issues in addition to employer perspectives on the costs and quality of care delivered by the health care system. Student interns will be involved in various short-term assignments or projects that will help them gain insights and understanding of different perspectives for stakeholders in the health care marketplace. Use of pharmacist clinical and applied health economic skills will be incorporated into student assignments.

Evaluation:
Weekly qualitative evaluation by preceptor and student kept journal will be used in addition to a graded quantitative evaluation of work product(s) accomplished during the program using the following grading scale. Acceptable work requires a grade of 73 or greater.

A = 93-100; A- = 90-92; B+ = 87-89; B = 83-86; B- = 80-82; C+ = 77-79; C = 73-76.
