There was also discussion on how to effectively communicate the construction impacts to the campus community. Suggestions included:

- Put information on events calendar. Linda Acciardo and Bob Drapeau will coordinate this.
- Send information to campus community through a listserv and the 5 Cent Cigar

**Other issues:**

What should we do about the # of cars on campus?

Should there be restrictions?

How does it impact the Master Plan?

**Follow up:** This topic should be brought back for discussion at a future meeting.

**Landscape of the Campus: Bob Weygand**

Bob Weygand gave a brief update on some landscaping that has been done around the campus. He reported that Carol Johnson and Associates had been hired to do some landscaping from Quinn Hall up to Independence Hall. He indicated in hiring them was to restore the campus and make it what it used to look like. There was also discussion of having the Master Plan Review Team put together a small subcommittee to set up some design principles with our landscape and look at where should things go. People suggested for this committee were Brian Maynard, Will Green and two people from the Master Plan Review Team.

**Follow up:** The committee is to email Ann Morrissey or Bob Weygand the names.

**Building Renovations: Bob Weygand**

An update on the CIP Plan was given. There was also a brief discussion regarding use of space for staff in the new buildings. This item should be added to the list of design principles.

**Next Agenda:**
