

CAYUSE424 TRAINING WORKSHOPS

The Division of Research and Economic Development is pleased to announce the availability of a new web-based protocol that will streamline the submission of proposals to federal agencies that fund research.

- Cayuse is the industry's leading federal grant submission protocol
- Cayuse supports over 95 percent of the federal funding opportunities posted on Grants.gov
- Cayuse allows direct submission to NIH, NSF, AHRQ, CDC, NIFA, ONR, and others.
- **As of July 1, 2010 all proposals will be required to be submitted through Cayuse to the Office for Sponsored Projects Review**

The Division of Research and Economic Development is offering the twenty sessions below to the URI research community so you may attend one at your convenience.
