

CAYUSE424 TRAINING WORKSHOPS

The Division of Research and Economic Development is pleased to announce the availability of a new web-based protocol that will streamline the submission of proposals to federal agencies that fund research.

- Cayuse is the industry's leading federal grant submission protocol.
- Cayuse supports over 95 percent of the federal funding opportunities posted on Grants.gov.
- Cayuse allows direct submission to NIH, NSF, AHRQ, CDC, NIFA, ONR, and others.
- As of July 1, 2010 all proposals will be required to be submitted through Cayuse to the Office for Sponsored Projects Review.

The Division of Research and Economic Development is offering the twenty sessions below to the URI research community so you may attend one at your convenience.
